Swimming Carnival

Well done to everyone on a great day up at Kalamunda Water Park yesterday for the Faction Swimming Carnival. It was quite hot, but this only made everyone want to get wet and cool down. There was great participation in the tabloid events and some sensational racing in the 50m breast stroke, freestyle and back stroke events. Congratulations to GOLD faction for winning the Faction Swimming trophy for the 8th year in a row!

The final scores were: **GOLD - 332, RED - 259, BLUE - 167**

Special thanks to Trina and Iain Thin for doing the scoring and starting and also to the parents who helped out with the judging.
