

Falls Road Primary Independent Public School

Challenge the Present – Create the Future

Dear Parent/Guardian,

Under the Department of Education's Information Privacy and Security Policy, schools are to obtain parental/guardian permission before using visual images of students, such as photographs, outside the school environment.

Falls Road Primary School regularly uses images of students in a variety of ways to recognise excellent achievement, inform parents and the local community of school matters, publicise events and to promote the school. From time to time we may also be asked to contribute to the Department of Education materials.

The school has a website where we make available school newsletters. This may result in your child's image being accessible through the Internet.

We request your permission to use any images of your child in some or all of the ways listed below. You are of course at liberty to withdraw your consent at any time by contacting the school in writing.

Please complete the permission slip below and return to Falls Road Primary School as soon as possible.

Thank you,
David Ingle
Principal
