## President's Preamble

Hi Everyone,

What a great start to our year of fundraising for our school!

The Easter Egg Hunt was lots of fun and it was wonderful to have the year 6's helping and showing leadership to their fellow students. Thank you to Mrs Burns and Mrs Miller for your help putting this idea into action and our parent egg hidiers for helping the day go so smoothly.

We hope everyone enjoyed their Mother's Day gifts, it's always a joy to watch the kids choose something special at the stall. Thank you to all the parents who made this possible. We were excited to provide a Mother's Day Hamper this year and it couldn't have been possible without some amazing sponsors listed below. We look forward to including this as a part of our Mother's Day celebration each year.

We didn't know what to expect with the Election BBQ this year with early voting and covid, however it was a great success! Thank you to everyone who volunteered it was a busy and fast paced day and you all handled it with welcoming smiles. The cake stall donations were appreciated so much, as were all the eggs we received.

We are so grateful for the continued support from our Falls Rd families and are excited to bring more fun and enjoyment to our students lives throughout the year.

We've resumed face to face meetings at school and welcome you to attend in week 8. Please see the important dates to look forward to in the next few months.

Kind Regards

Ashlee Gibson - President
