

# Falls Road Primary P&C Newsletter

March 2022

## President's Preamble

Welcome to all the returning and new parents at Falls Road. My name is Ashlee Gibson and I am taking over the role of the P&C President from Ashley Reid who has done a wonderful job.

I have two children at the School, Bethany (yr2) and Oliver (yr1). This will be my first year with an official role in the P&C and I am excited to join an amazing group of parents to bring some fresh fun to our children and school community this year.

With some fresh faces in the P&C roles this year we're all finding our feet and excited to see what we can achieve. We welcome anyone who wants to join us whether it be in the smallest or biggest parts because lots of people contributing small amounts makes great things happen. With life right now it's just lovely to have a chat, a laugh and have some fun so please don't hesitate to introduce yourself to myself or one of our members and let us know if you have any questions.

At the moment our meetings will take place via zoom in week 3 and week 8 of each term. Our next meeting is Mon 21st March at 7pm. Zoom links will be sent to Falls Road Primary School P&C and Falls Road Parents facebook pages so feel free to join them to keep up to date.

Kind Regards  
Ashlee Gibson - Incoming President
