Dear David

I am pleased to advise that the Public School Review of Falls Road Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review for your school has been determined through your self-assessment submission and validated by the review team as three years. The review will be undertaken in Term 1, 2024.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

Your work to lead a positive school culture, reflective of genuine community collaboration and care, is commendable.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Stephen Baxter  
Deputy Director General, Schools
